#### **DETAILED ACTION**

### **Priority**

1. Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

# Information Disclosure Statement

2. The information disclosure statement (IDS) submitted on March 24, 2004 is being considered by the examiner.

## Allowable Subject Matter

- 3. Claims 1-13 are allowed.
- 4. The following is an examiner's statement of reasons for allowance: The prior art does not teach or fairly disclose, in addition to other limitation in the claim, claiming a semiconductor integrated circuit comprising a regular cell array; a spare cell array; first memory circuits each configured to store data indicating whether an associated one of the spare memory cells used or not; second memory circuits any of which is used to store address data indicating an address of the one of the regular memory cells which is defective; a determining circuit configured to determine whether each of the spare memory cells used or not, on the basis of data stored in an associated one of the first memory circuits; a generating circuit configured to generate predetermined data; and a selecting circuit configured to select and output one of the data generated by the generating circuit and address data stored in each of the second memory circuits.
